### INSTRUCTIONS FOR COMPLETING QUARTERLY FEED TONNAGE REPORT

#### **GENERAL INSTRUCTIONS**

- 1: Reports must be filed on a quarterly basis first quarter report by April 30, second quarter by July 31, third quarter by October 31 and fourth quarter by January 31. A late penalty fee of 5% shall be added to inspection fees which have not been paid within 30 days following the due date.
- The following must be reported:

  a. Feed sold by local manufacturers and distributors to feed stores and final users.

  b. Feed imported by feed stores for resale to final users.

  - Feed imported by final users for their own use.
- DO NOT LIST FEED FOR DOGS, CATS AND HOUSEHOLD PETS OR WET GARBAGE.
- If you believe that the inspection fee has already been paid please contact Commodities Branch personnel in your county.
- Tonnage may be reported to the nearest ton.

#### **DEFINITIONS**

COMMERCIAL FEED means either a "Commercial Mixed Feed" which is a mixture or blend of more than one feed ingredient or a "Commercial Simple Feed" which consists of only one feed ingredient. These feeds are assessed an inspection fee of 40 cents per ton.

CUSTOM MIXED FEED means a special commercial mixture which is formulated by the manufacturer or processor in accordance with the specific instructions of the final purchaser and contains feed material or materials wholly or partly supplied by such manufacturer or processor. These feeds are assessed an inspection fee of 40 cents per ton.

TOLL MILLED FEED means a special feed which is processed by the processor from materials entirely delivered by the owner thereof on his authorized agent and in accordance with the specific instructions of such owner, and which is not distributed. These feeds are assessed an inspection fee of 20 cents per ton.

#### OTHER FEED means:

Whole seeds unmixed or physically altered entire unmixed seeds.

Hay, straw, stover, silage, cobs, husks, and hulls when unground or when unmixed with other materials. Individual chemical compounds when not mixed with other materials.

Unmixed feeding cane molasses, unmixed pineapple pulp, unmixed pineapple hay, and unmixed sugarcane hay. These feeds are assessed an inspection fee of 20 cents per ton.

FINAL USER means a ranch, feed lot, consumer or agricultural cooperative that purchases feed for its own use.
